

**Are you interested in
exploring IT-based
apprenticeships?**

**Why not try
in-vest2**

**Aimed at
ages 18
and up**

An accredited pre-apprenticeship Programme

**Explore new apprenticeship opportunities and
experience creative learning that can open up
a career path in technology and other sectors.**

The IN-VEST 2 program is supported by J.P. Morgan as part of the bank's philanthropic investment. In Ireland, J.P. Morgan supports several programmes that help individuals gain skills, knowledge and expertise to access quality jobs and find new pathways to economic opportunity.

in-vest²

is a pre-apprenticeship
programme providing an
introduction to:

- Software Development
- Network Engineering
- Web and Graphic Design
- Project Development
- Communication and Presentation Skills

4
weeks work
experience and
career planning
included

** Please note: participants may be eligible to receive a training allowance

Starting October 2020
